

5 **SURE FIRE** Signs Your Credit Card Processor is **RIPPING YOU OFF!**

1

Tiered Pricing

Tiered Pricing plans immediately signal that you are overpaying on your processing fees. Look for: Tier 1, Tier 2 or Tier 3 / Qual, MidQual or NonQual. Another way tiered pricing can show up is to see a statement with only 2 or 3 rates given.

2

Bogus or Phony Fees

These are fees that processor add to increase profit. They include Security, Technology or EMV Fees, Clearing Fees, Brand Fees, Settlement Fees or Release Fees.

3

Downgrading Fees

The most common of these are Tran Integrity Fee, EIRF of different types of Standard (STD) noted on your statement.

4

Non-Compliance Fees

Look for Non-Compliance Fees on your statement, generally \$15.00 to \$49.00 per month.

5

Bill Back / Enhanced Bill Back Fees

If you are reviewing a January statement and you see a lot of fees with December notation or you see BB or EBB, this is a sign.
